

QUANTUMYOGA®

PRAKRITI SELF-ASSESSMENT

PLEASE TICK THE MOST ACCURATE FOR YOU OF EACH CONSTITUTIONAL FEATURE.

Add up how many ticks you have in each group. This will reveal your prevalent dosha. If two group-counts are very close in number, you may be a dual dosha, e.g. Vata-Pitta, Pitta-Kapha etc. Some rare individuals are Tridoshic, where the count is balanced in each section.

CONSTITUTIONAL FEATURES	VATA DOSHA	PITTA DOSHA	KAPHA DOSHA
Body Frame	Slim	Medium, athletic	Large
Weight	Low, bony	Medium, muscular	Tendency towards over-weight
Childhood Body	Thin	Medium	Plump
